

Next Door Savior Near Enough To Touch Strong Enough To Trust

Paperback April 16 2006

Next Door Savior

We applaud men for doing good things. We enshrine God for doing great things. But what about a man who does God things? One thing is certain. We can't ignore him. If these moments are factual, if the claim of Christ is actual, then he was, at once, man and God. The single most significant person who ever lived. Forget MVP. He is the entire league. The head of the parade? Hardly. No one else shares the street. Who comes close? Humanity's best and brightest fade like dime-store rubies next to him. Dismiss him? We can't. Resist him? Equally difficult. Why would we want to? Don't we need a God-man Savior? A just-God Jesus could make us, but not understand us. A just-man Jesus could love us, but never save us. But a God-man Jesus? Near enough to touch. Strong enough to trust. A next door Savior.

Come Thirsty

Are you feeling a little dry? Edgy and rigid? Ineffective? What would it take to be more useful in the hands of the One who made you? Just come to the well, says bestselling author Max Lucado. In this renewing and life-giving book Max leads us to the four essential nutrients every soul needs. Experience Christ's work on the cross and know that your sins are pardoned and your death is defeated. Receive Christ's energy and believe that you can do all things through the one who gives you strength. Receive his Lordship, knowing that you belong to him and that he looks out for you. Receive his love and feel confident that nothing can separate you from it. Come to the well...to Christ's work on the cross, his energy, his Lordship and his Love.

I Love Jesus, But I Want to Die

A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning

Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.

Sands of Dune

Collected for the first time, these Dune novellas by bestselling authors Brian Herbert and Kevin J. Anderson shine a light upon the darker corners of the Dune universe. Spanning space and time, *Sands of Dune* is essential reading for any fan of the series. The world of Dune has shaped an entire generation of science fiction. From the sand blasted world of Arrakis, to the splendor of the imperial homeworld of Kaitain, readers have lived in a universe of treachery and wonder. Now, these stories expand on the Dune universe, telling of the lost years of Gurney Halleck as he works with smugglers on Arrakis in a deadly gambit for revenge; inside the ranks of the Sardaukar as the child of a betrayed nobleman becomes one of the Emperor's most ruthless fighters; a young firebrand Fremen woman, a guerrilla fighter against the ruthless Harkonnens, who will one day become Shadout Mapes.

BEER BY DESIGN

Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living, and culture and giving readers a ringside seat on the issues shaping the region.

Cincinnati Magazine

In this new book, Bauman examines how we have moved away from a 'heavy' and 'solid', hardware-focused modernity to a 'light' and 'liquid', software-based modernity. This passage, he argues, has brought profound change to all aspects of the human condition. The new remoteness and un-reachability of global systemic structure coupled with the unstructured and under-defined, fluid state of the immediate setting of life-politics and human togetherness, call for the rethinking of the concepts and cognitive frames used to narrate human individual experience and their joint history. This book is dedicated to this task. Bauman selects five of the basic concepts which have served to make sense of shared human life - emancipation, individuality, time/space, work and community - and traces their successive

incarnations and changes of meaning. Liquid Modernity concludes the analysis undertaken in Bauman's two previous books Globalization: The Human Consequences and In Search of Politics. Together these volumes form a brilliant analysis of the changing conditions of social and political life by one of the most original thinkers writing today.

Liquid Modernity

This second edition of "Children's needs - parenting capacity" updates the original exploration of the research literature in the light of legal and policy changes in England and findings from more recent national and international research. The edition has also been expanded to cover parental learning disabilities and how it may impact on parenting and children's health and development. The findings show that these parenting issues affect children differently depending on their age and individual circumstances. While some children grow up apparently unscathed, others exhibit emotional and behavioural disorders. This knowledge can inform practitioners undertaking assessments of the needs of children and their families and effective service responses. This publication is essential reading for practitioners, managers and policy makers concerned with improving the outcomes for children and families who are experiencing such problems.

Children's needs - parenting capacity

Your job is obedience. God's job is everything else. If you've ever found yourself wondering...What is God's plan for my life? or Can He really use me? you're not alone. Lysa TerKeurst has wrestled through those same questions. But she's also learned that we were absolutely created to participate in God's divine activity and experience His rich blessings. We just have to say yes to Him! Through her own struggles, doubts, and honest vulnerability, Lysa will equip you to: Reignite your passion for the Lord by discovering the incredible opportunities He's already placed in front of you and the courage to say yes. Know what God is speaking personally to you with practical ways to listen for His voice. Overcome the fear that you're not doing the Christian life right by learning it's about perfect surrender, not perfect performance. Apply key teachings to your own situation today with helpful study questions and reflection prompts. Get ready for a journey of joy and purpose—one that will radically bless you beyond what you can ask or imagine!

What Happens When Women Say Yes to God

James Joyce's Strange and Wonderful Masterpiece "History, Stephen said, is a nightmare from which I am trying to awake." — James Joyce, Ulysses Ulysses is the modernist novel by James Joyce and has been called the most important work of modernist literature. Joyce's novel follows the character of Leopold Bloom over the course of one day in 1904. Ulysses parallels the epic poem of Odysseus in a stream of consciousness style. This Xist Classics edition has been professionally

formatted for e-readers with a linked table of contents. This eBook also contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it. Xist Publishing is a digital-first publisher. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes

Ulysses

BOOKER PRIZE WINNER • NATIONAL BESTSELLER • An "extraordinary meditation on mortality, grief, death, childhood and memory\" (USA Today) about a middle-aged Irishman who has gone back to the seaside to grieve the loss of his wife. In this luminous novel, John Banville introduces us to Max Morden, a middle-aged Irishman who has gone back to the seaside town where he spent his summer holidays as a child to cope with the recent loss of his wife. It is also a return to the place where he met the Graces, the well-heeled family with whom he experienced the strange suddenness of both love and death for the first time. What Max comes to understand about the past, and about its indelible effects on him, is at the center of this elegiac, gorgeously written novel—among the finest we have had from this masterful writer.

The Sea

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

Los Angeles Magazine

\\"A publishing phenomenon\" Sunday Times It took me a long time and most of the world to learn what I know about love and fate and the choices we make, but the heart of it came to me in an instant, while I was chained to a wall and being tortured. Shantaram is a novel based on the life of the author, Gregory David Roberts. In 1978 Roberts was sentenced to nineteen years imprisonment as punishment for a series of robberies of building-society branches, credit unions, and shops he had committed while addicted to heroin. In July 1980 he escaped from Victoria's maximum-security prison in broad daylight, thereby becoming one of Australia's most wanted men for what turned out to be the next ten years. For most of this period he lived in Bombay. He set up a free health clinic in the slums, acted in Bollywood movies, worked for the Bombay mafia as a forger, counterfeiter, and smuggler and, as a gun-runner, resupplied a unit of mujaheddin guerrilla fighters in

Afghanistan. This is the setting of Shantaram. Apart from having this highly unusual personal background, Greg Roberts is a very gifted writer. His book is a blend of vivid dialogue, unforgettable characters, amazing adventures, and superb evocations of Indian life. It can be read as a vast, extended thriller, as well as a superbly written meditation on the nature of good and evil. It is a compelling tale of a hunted man who had lost everything - his home, his family, and his soul - and came to find his humanity while living at the wildest edge of experience. Gregory David Roberts retired from public life in 2014 to devote time to his family and new writing projects. The Mountain Shadow, sequel to Shantaram, is available now. PRAISE FOR SHANTARAM \"A literary masterpiece ... at once erudite and intimate, reflective and funny ... it has the grit and pace of a thriller\" Daily Telegraph \"Powerful and original ... a remarkable achievement\" Sunday Telegraph \"Extraordinarily vivid ... a gigantic, jaw-dropping, grittily authentic saga\" Daily Mail \"At once a high-kicking, eye-gouging adventure, a love saga and a savage yet tenderly lyrical fugitive vision.\" Time Out Fans of Vikram Seth, John Irving and David Mitchell will love Shantaram.

Shantaram

MacKayla Lane's life is good. She has great friends, a decent job, and a car that breaks down only every other week or so. In other words, she's your perfectly ordinary twenty-first-century woman. Or so she thinks . . . until something extraordinary happens. When her sister is murdered, leaving a single clue to her death—a cryptic message on Mac's cell phone—Mac journeys to Ireland in search of answers. The quest to find her sister's killer draws her into a shadowy realm where nothing is as it seems, where good and evil wear the same treacherously seductive mask. She is soon faced with an even greater challenge: staying alive long enough to learn how to handle a power she had no idea she possessed—a gift that allows her to see beyond the world of man, into the dangerous realm of the Fae. . . As Mac delves deeper into the mystery of her sister's death, her every move is shadowed by the dark, mysterious Jericho, a man with no past and only mockery for a future. As she begins to close in on the truth, the ruthless Vlane—an alpha Fae who makes sex an addiction for human women—closes in on her. And as the boundary between worlds begins to crumble, Mac's true mission becomes clear: find the elusive Sinsar Dubh before someone else claims the all-powerful Dark Book—because whoever gets to it first holds nothing less than complete control of the very fabric of both worlds in their hands. . . . Look for all of Karen Marie Moning's sensational Fever novels: DARKFEVER | BLOODFEVER | FAEFEVER | DREAMFEVER | SHADOWFEVER | ICED | BURNED | FEVERBORN | FEVERSONG BONUS: This edition contains an excerpt from Karen Marie Moning's Bloodfever.

Darkfever

The Best Nonfiction Masterpiece of the 20th Century? "There are two lives, the natural and the spiritual, and we must lose the one before we can participate in the other." - William James, The Varieties of Religious Experience: A Study in Human Nature The Varieties of Religious Experience: A Study in Human Nature is not a book about a specific religion. The author, psychologist Williams James does not try to convince the reader one religion is better than the other. He doesn't even make a case for atheism and the scientific approach. The book is in fact about human nature and how we experience religion at a psychological level. Xist

Publishing is a digital-first publisher. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes

The Varieties of Religious Experience: A Study in Human Nature

Reproduction of the original: The Condition of the Working-Class in England in 1844 by Frederick Engels

The Condition of the Working-Class in England in 1844

With a new afterword. 'The best book on teachers and children and writing that I've ever read. No-one has said better so much of what so badly needs saying' - Philip Pullman Kate Clanchy wants to change the world and thinks school is an excellent place to do it. She invites you to meet some of the kids she has taught in her thirty-year career. Join her as she explains everything about sex to a classroom of thirteen-year-olds. As she works in the school 'Inclusion Unit', trying to improve the fortunes of kids excluded from regular lessons because of their terrifying power to end learning in an instant. Or as she nurtures her multicultural poetry group, full of migrants and refugees, watches them find their voice and produce work of heartbreaking brilliance. While Clanchy doesn't deny stinging humiliations or hide painful accidents, she celebrates this most creative, passionate and practically useful of jobs. Teaching today is all too often demeaned, diminished and drastically under-resourced. Some Kids I Taught and What They Taught Me will show you why it shouldn't be. Winner of the Orwell Prize for Political Writing 2020

The Canterbury Tales

Whilst on holiday in Cancun, Henrich decides to leave his brother Mathias and go off on an archaeological dig. But after a while, Mathias becomes concerned for his brother's welfare, so he rounds up a search party to look for his missing brother. But the trail of Henrich is far more perilous than anyone could ever have imagined.

Some Kids I Taught and What They Taught Me

On April 28, 2006, as he lay in his hospital bed in Ann Arbor, Michigan, visions of celestial beauty were the last thing on Marv Besteman's mind. He had just had surgery to remove a rare pancreatic tumor. It was after visiting hours and his family had left for the day. Alone and racked with pain, Marv tossed and turned,

wanting more than anything else to simply sleep and escape the misery and discomfort for a while. The retired banker, father, and grandfather had no idea he was about to get a short reprieve in the form of an experience he never could have imagined. In *My Journey to Heaven*, Marv Bestman shares the story of his experience of heaven with astounding detail. Readers will hear of his encounters with angels who accompanied him to the gate, his conversation (argument, really) with St. Peter, and his recognition of friends and family members who touched his life. His story offers peace, comfort, and encouragement to those who have lost loved ones and gives security and solace to those who are grieving, dying, or wonder about the afterlife. Marv believed God sent him back to earth to fulfill this mission of comfort and reminds readers that God has work for each of us to do before he calls us to be with him in heaven. Secure in his belief that his book was the fulfillment of his own mission, Marv returned to heaven in January 2012.

The Ruins

Winner of the National Book Award The publication of this extraordinary volume firmly established Flannery O'Connor's monumental contribution to American fiction. There are thirty-one stories here in all, including twelve that do not appear in the only two story collections O'Connor put together in her short lifetime--*Everything That Rises Must Converge* and *A Good Man Is Hard to Find*. O'Connor published her first story, "The Geranium," in 1946, while she was working on her master's degree at the University of Iowa. Arranged chronologically, this collection shows that her last story, "Judgement Day"--sent to her publisher shortly before her death—is a brilliantly rewritten and transfigured version of "The Geranium." Taken together, these stories reveal a lively, penetrating talent that has given us some of the most powerful and disturbing fiction of the twentieth century. Also included is an introduction by O'Connor's longtime editor and friend, Robert Giroux.

My Journey to Heaven

Reproduction of the original: *War and Peace* by Leo Tolstoi

The Complete Stories

The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees,

indigenous peoples, the elderly who are increasingly isolated and abandoned,” the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, “to recognize the traces of God’s Spirit in events great and small.” Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

War and Peace

Offers more than three hundred of the author's favorite recipes, including split-level pudding, gingered carrot cookies, and fold-over pear torte, and provides baking tips and a glossary.

The Joy of the Gospel

At home, Paul shares a private world with his sister Elisabeth, a world from which parents are tacitly excluded. Their room is where the Game is played, the Game being their own bizarre version of life. All that they do outside is effectively controlled by the rules of the Game: unfortunately the rules of the Game prescribe that the two children must die...

Baking

Blaise Pascal, the precociously brilliant contemporary of Descartes, was a gifted mathematician and physicist, but it is his unfinished apologia for the Christian religion upon which his reputation now rests. *The Penseés* is a collection of philosophical fragments, notes and essays in which Pascal explores the contradictions of human nature in psychological, social, metaphysical and - above all - theological terms. Mankind emerges from Pascal's analysis as a wretched and desolate creature within an impersonal universe, but who can be transformed through faith in God's grace.

Les Enfants Terribles

This is a print on demand edition of a hard to find publication. Examines terrorists; involvement in a variety of crimes ranging from motor vehicle violations, immigration fraud, and mfg. illegal firearms to counterfeiting, armed bank robbery, and smuggling weapons of mass destruction. There are 3 parts: (1) Compares the criminality of internat. jihad groups with domestic right-wing groups. (2) Six case studies of crimes includes trial transcripts, official reports, previous scholarship, and interviews with law enforce. officials and former terrorists are used to explore skills that made crimes possible; or events and lack of skill that the prevented crimes. Includes brief bio. of the terrorists along with descriptions of their org., strategies, and plots. (3) Analysis of the themes in closing arguments of the transcripts in Part 2. Illus.

Pensees

Reveals the life of Lakota healer Nicholas Black Elk as he led his tribe's battle against white settlers who threatened their homes and buffalo herds, and describes the victories and tragedies at Little Bighorn and Wounded Knee. Reprint.

Crimes Committed by Terrorist Groups

'A masterly novel' New York Times 'Such is the exquisite, gossamer construction of Murakami's writing that everything he chooses to describe trembles with symbolic possibility' Guardian Read the haunting love story that turned Murakami into a literary superstar. When he hears her favourite Beatles song, Toru Watanabe recalls his first love Naoko, the girlfriend of his best friend Kizuki. Immediately he is transported back almost twenty years to his student days in Tokyo, adrift in a world of uneasy friendships, casual sex, passion, loss and desire - to a time when an impetuous young woman called Midori marches into his life and he has to choose between the future and the past. *Murakami's new book Novelist as a Vocation is available now* 'Evocative, entertaining, sexy and funny; but then Murakami is one of the best writers around' Time Out 'Poignant, romantic and hopeless, it beautifully encapsulates the heartbreak and loss of faith' Sunday Times 'This book is undeniably hip, full of student uprisings, free love, booze and 1960s pop, it's also genuinely emotionally engaging, and describes the highs of adolescence as well as the lows' Independent on Sunday

Black Elk Speaks

\\"Bruno doesn't like his new house. He had to leave all his friends behind in Berlin, and there are no children to play with here - until Bruno meets Shmuel, a boy

who lives on the other side of the wire fence near Bruno's house, and who wears a strange uniform of striped pyjamas. A stunning anniversary edition of John Boyne's powerful classic bestseller, with illustrations from award-winning artist Oliver Jeffers."

Norwegian Wood

For a century, economists have driven forward the cause of globalization in financial institutions, labour markets, and trade. Yet there have been consistent warning signs that a global economy and free trade might not always be advantageous. Where are the pressure points? What could be done about them? Dani Rodrik examines the back-story from its seventeenth-century origins through the milestones of the gold standard, the Bretton Woods Agreement, and the Washington Consensus, to the present day. Although economic globalization has enabled unprecedented levels of prosperity in advanced countries and has been a boon to hundreds of millions of poor workers in China and elsewhere in Asia, it is a concept that rests on shaky pillars, he contends. Its long-term sustainability is not a given. The heart of Rodrik's argument is a fundamental 'trilemma': that we cannot simultaneously pursue democracy, national self-determination, and economic globalization. Give too much power to governments, and you have protectionism. Give markets too much freedom, and you have an unstable world economy with little social and political support from those it is supposed to help. Rodrik argues for smart globalization, not maximum globalization.

The Boy in the Striped Pyjamas

In the late 19th century, orphaned Jim Burden is sent to the wilderness in Nebraska to live with his grandparents. He arrives at the same time as the Shimerda family, including the eldest daughter Antonia, who becomes his closest neighbors. Life in the American West is tough, especially for the impoverished Shimerda family, and pioneers must struggle for survival. A friendship blossoms between Jim and Antonia as they explore nature and have adventures together, a friendship that will last a lifetime. My Antonia became an immediate success when first published and is today considered Willa Cather's first masterpiece. It is praised for its depiction of the American West and its ability to highlight the aspirations of ordinary, poor people in a time when it was customary to write about the elite. WILLA CATHER [1873-1947] was an American author. After studying at the University of Nebraska, she worked as a teacher and journalist. Cather's novels often focus on settlers in the USA with a particular emphasis on female pioneers. In 1923, she was awarded the Pulitzer Prize for the novel One of Ours, and in 1943, she was elected to the American Academy of Arts and Sciences.

The Globalization Paradox

This collection of some of Elder Holland's most memorable recent talks inspires readers to maintain hope amidst personal trials, suffering, and family struggles by

riveting their attention on the Savior who has the power to heal.

My Ántonia

According to ancient prophecy, there's only one chance to avert the complete annihilation of the Undead. Twins James William and Brigit Poe part human, part vampire believe that they are that chance. In truth, the key lies with reclusive and mortal scholar, Lucy Lanfair. As Armageddon approaches, anti-vampire sentiment fuels a war neither side can win, driving James to abandon his moral code and draw Lucy into a deadly battle she wants no part of. But Lucy soon realises that she holds this powerful immortal's soul in her hands, and that it's her destiny not only to stop a war, but to save James from his inner darkness. If she fails, his race will die and so will her heart. Is the power of their love strong enough to save the world?

Broken Things to Mend

A woman goes into a bakery to buy a strawberry cream tart. The place is immaculate but there is no one serving so she waits. Another customer comes in. The woman tells the new arrival that she is buying her son a treat for his birthday. Every year she buys him his favourite cake; even though he died in an accident when he was six years old. From this beginning Yoko Ogawa weaves a dark and beautiful narrative that pulls together a seemingly disconnected cast of characters. In the tradition of classical Japanese poetic collections, the stories in *Revenge* are linked through recurring images and motifs, as each story follows on from the one before while simultaneously introducing new characters and themes. Filled with breathtaking images, Ogawa provides us with a slice of life that is resplendent in its chaos, enthralling in its passion and chilling in its cruelty.

Twilight Prophecy

'If I think about it, and I have the time and inclination and capacity to do so, we dogs are an odd lot.' How does a dog see the world? How do any of us? In this playful and enigmatic story of a canine philosopher, Kafka explores the limits of knowledge. Penguin Modern: fifty new books celebrating the pioneering spirit of the iconic Penguin Modern Classics series, with each one offering a concentrated hit of its contemporary, international flavour. Here are authors ranging from Kathy Acker to James Baldwin, Truman Capote to Stanislaw Lem and George Orwell to Shirley Jackson; essays radical and inspiring; poems moving and disturbing; stories surreal and fabulous; taking us from the deep South to modern Japan, New York's underground scene to the farthest reaches of outer space.

Revenge

Written by a fourteenth-century cleric, this spiritual allegory explores man in relation to his ultimate destiny against the background of teeming, colorful medieval life.

Investigations of a Dog

Piers Plowman

There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: \"This much, O God, I want you.\" Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: \"If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great.\" If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you.

Leviathan, Part I.

A missing girl. A buried secret. From the ten-million-copy bestselling author comes a brand new look for this compulsively twisty psychological thriller that will keep you hooked to the very last page. 'A tense, clever page-turner that everyone will be talking about.' Adele Parks 'Dark and claustrophobic but also heartfelt and moving ... packs a huge emotional punch that will leave you winded. I loved it.' C. L. Taylor 'Both utterly gripping and startlingly original. Prepare to be hooked.' Sun _____ Ellie was her mother's golden girl. She had her whole life ahead of her. And then, in the blink of an eye, Ellie was gone. Ten years on, Laurel has never given up hope of finding Ellie. And then she meets a charming and charismatic stranger who sweeps her off her feet. But what really takes her breath away is when she meets his nine-year-old daughter. Because his daughter is the image of Ellie. Now all those unanswered questions that have haunted Laurel come flooding back. What really happened to Ellie? And who still has secrets to hide? _____ OVER 180,000 5* RATINGS - this is why readers love this book - ***** 'Breathtaking. Compulsive. Suspenseful. Poetic.' ***** 'One of the top 5 thrillers I've ever read.' ***** 'I wanted the book never to end.' ***** 'Suspense filled... edge of my seat... I could not put this down!!' ***** 'This was my first Lisa Jewell book, and it will definitely not be my last.' ***** 'Dark, winding and haunting, I couldn't put this one down.' ***** 'book I'm likely NOT to forget.'
