

Amazon Crossed Matched 2 Ally Condie

Double Crossed

It was the happiest of times for Stenson Beckett and his motley group of friends. The former runaway found the courage to ask his childhood friend to marry him and soon a child was on the way. That is when tragedy struck shattering many lives. A kidnapping, stolen ransom, and murder, turned everyone's world upside down. Now they will use every trick and travel the world to track down those responsible. For love and friendship, this will be vengeance.

Love Divide

What happens when something you were not looking for comes along, and it's more than you ever could have imagined? Changing you. How do you live with yourself when you look in the mirror and don't recognize the broken reflection staring back? Because it makes you do things that you never expected you were capable of. Will a heart that's been torn in two pieces keep on beating? I'm about to find out. Love Divided. The decision should be easy... it isn't.
