Indiana Jones and the Staff of Kings

Adventurer's Handbook –
As you might expect,
Indy's all-new adventure
on the Wii and PS2 brims
with white-knuckle
excitement, surprise
twists, and grave
danger. But fear not,
true adventurer: Prima's
guide truly is the "holy
grail" of Indiana Jones
and the Staff of Kings
strategy, providing over
70 pages of detailed,

step-by-step walkthrough (pg. 12-83). Rely on us to help you thwart every trap, solve every puzzle, and steer Dr. Jones toward Fortune and Glory. Secret Revelations – The Wii and PS2 versions of Indiana Jones and the Staff of Kings hold many special extras for the bold to discover (that's you!), and Prima's guide devotes nearly 20 pages to these special extras (pg. 84-101), providing handy Fortune and Glory checklists, multiplayer strategies, and complete co-op walkthroughs. One look at this info and you'll find unlocking these extras to be academic. Classic Game, Modern Guide – Adventurers who explore Indy's quest on the Wii are in for a special treat: After clearing

just one Glory move in the main game, the whole of Indiana Jones and the Fate of Atlantis becomes unlocked and available to play. This classic PC title from the early 90's may be an oldie, but you'll find its puzzles and challenges are still stumpers. Fortunately, Prima's guide provides over 30 pages of step-by-step walkthrough (pg. 102-135), leading you through not one, but all three unique paths you may take through the game. Just promise us you'll at least try to solve the puzzles on your own first! Handheld Heroics – Plenty of pint-sized adventuring awaits Indy in the handheld version of Indiana Jones and the Staff of Kings, and Prima hasn't downsized

any of the strategy. Flip our Wii/PS2 guide over to discover another complete guide – one that's been specially crafted for the Nintendo DS! After a bit of good-ol' adventuring know-how, the DS guide quickly opens into a thorough step-by-step walkthrough (pg. 6-45) filled with tips, puzzle solutions, and score-boosting artifact locations. Cipher Solutions – Intricate puzzle boxes known as ciphers abound in the DS version of Indiana Jones and the Staff of Kings, and many of these unique brainteasers can be quite tricky. You won't have any trouble cracking them in record time with our solutions though, which are conveniently placed in the walkthrough as the

puzzles are encountered, and also in a separate section (pg. 46-57) at the end of the guide that's easy to reference when replaying the puzzles in Cipher Mode!

Black

The F.E.A.R. 2: Project Origin official game guide is the perfect companion for not just a player wanting the most out of their game, but also for a gamer that loves the creepy story of the F.E.A.R. universe. Alma is one of the freakiest videogame

villains in years, but the more you get to know her, the more conflicted you are about her. The guide gives you not just her backstory, but shows you where to find all of the intel reports that give you insight into just how twisted Armacham was when dealing with her. It's kind of a \"Who's the real monster?\" series of questions. In addition to showing you where to find all of the intel, the guide also points out the exact locations of all of the reflex injectors. These tools extend the amount of time you can use slow-mo to dodge bullets and get the drop on enemies. That's critical for beating the game. The guide is full of tips and tricks for using weapons too, such

as the proximity mines, which should not go under-used in this game. Multiplayer maps help you formulate effective strategies for online play. Instead of having to figure out in the heat of battle where you can find flags or bases, you know before everybody else does. Plus, multiplayer testers weigh in with weapon advice specific to online play. These guys are lethal—and they tell you which are the best tools for the job. And finally, the guide has achievement and trophy listings which are always important for gamers obsessed with raising their gamerscores or looking good online with their PS3s. Some of the achievements in F.E.A.R. 2 are secret, so it's

good to know how to go about getting those awards when you're just starting the game, not long after you finished and have to go back.
